

BARENBRUG USA
Plantbreeding, Seed Production, Seed Trade

Research Assistant

Barenbrug USA has an opening for a Research Assistant at its West Coast Research Center in Albany, Oregon. Barenbrug USA is part of the worldwide Royal Barenbrug Group that has been a leader in turf and forage grass breeding, production and marketing for more than 100 years.

The Research Assistant reports to the Grass Breeder and works closely with other team members. Tasks include:

- Establish and maintain various greenhouse and field trials
- Assist in plant breeding activities
- Seed harvest and cleaning operations
- Collect and organize data records

Minimum Qualifications:

- Associate / Bachelor of Science in Crop Science or related field
- Working knowledge of basic computer software such as Microsoft Excel and Word

The job requires some overnight travel in and out of state. Barenbrug offers a competitive wages plus extensive benefits. To be considered for the position please send a cover letter and your resume to info@barusa.com or you can mail to: Human Resources, Barenbrug USA, PO Box 239, Tangent OR 97389.

Phone: (541) 926-5801 • (800) 547-4101 • Fax: (541) 926-9435
33477 Highway 99E, P.O. Box 239, Tangent, OR 97389 - USA
